

RAICES DEL SABER XINACHTLI

COMMUNITY SCHOOL

Where Your Dollars Go

- Support Students –Raíces provides school clothing and supplies to students who need them.
- Support Classrooms – We are always looking for ways to add academic resources, such as hands-on STEM kits and classic book sets.
- Amazing Experiences – Ensuring that our students have quality off-campus experiences, like visiting museums, colleges, and local company sites.
- Contribute to Growth –Raíces will add two new cohort of Kindergarten students each year. This will mean increasing academic and operational costs.
