Mission

Raíces del Saber Xinachtli Community School implements a developmentally appropriate rigorous academic program through an interdisciplinary curriculum that is experiential, participatory, biliterate, child-centered, and culturally responsive. Our students learn Spanish and English, achieving academic proficiency in all subjects in both languages as they develop critical and creative thinking skills.

Raíces creates an environment where students and parents are valued as participants in the construction of knowledge and the creation of a learning community that promotes high academic performance, positive identity formation, and the reclaiming of cultural heritage.
